PRAISE FROM MINORITY

Senator From Arkansas Defends the President's Attitude.

Washington, Feb. 3.-Mr. Clarke, the new Democratic senator from Arkansas, has made his first speech in the senate. He spoke for two hours and announced his endorsement of every position taken by the president in connection with the Panama revolution and the negotiation of the treaty with the new state. He even said that in view of provocation given by Colombia the president might have been expected to go farther than he did in advancing the case of Panama. He declared that there was more popular support of the course of the president's policy among Democrats than among Republicans, and said that the Democratic votes necessary to ratify the treaty were assured.

Mr. Fairbanks also spoke in support of the treaty, contending for the regularity of all the proceedings of the administration on the isthmus of Pan-

By unanimously agreeing to a resolution amending the rules of the house, the resident commissioner to congress from Porto Rico was given additional authority equal in all essential respects to that of a delegate from a territory, the action not requiring the concurrence of the senate.

A Phase of Printers' Strike.

Boston, Feb. 3.-Alfred Murge & Son and William B. Libbey, two of the four union label printing offices in this city where the strike has been effective, have returned their labels and notified the typographical union that in future they would conduct "open shops." These concerns say that though their printers have no grievance they were ordered to stop work, interfering with important con tracts held by the firm.

Macedonians Getting Ready.

Vienna, Feb. 3.—A dispatch received here from Sofia, Bulgaria, says the chiefs of the Macedonian revolutionary organization in the interior have sent out circulars to the members of the organization, ordering a renewal of the insurrection.

Buchanan Leaves Panama. Colon, Panama, Feb. 3.-W. I. Buchanan, United States minister to Panama, sailed last evening for New York on the steamer City of Washington.

ISTHMIAN WARFARE

Colombian Troops Reported Aggressive on San Blas Coast.

Panama, Feb. 3 .- A report has reached the isthmus that Colombian troops are fighting with the Indians on the San Blas coast, which is in Panama territory. It is impossible, however, to obtain reliable confirmation of this.

The United States gunboat Bancroft was to have sailed yesterday from Colon to Bocas del Toro, but the order were countermanded at the last moment because of the report of fighting on the coast. A letter was received here some time ago from Captain Torres, commanding the Panamanian troops at Chepo (on the south side of the isthmus and directly south of the San Blas country), saying he had decided to cross over to the Atlantic side. There is a possibility that the Indians are fighting with Captain Torres' command, mistaking them for Colombians.

TOOK IT TO HEART

Cast-off Bride and Groom Decide on Suicide.

Saginaw, Mich., Feb. 3.-The wedding here last week of Corporal Chas. A. Valois of Company H, 26th United States infantry, home on furlough, and Miss Mabel Steiner, had a tragic climax when the young couple took poison in a room at James Wynn's rooming house on Franklin street. The match was a case of love at first sight, and met the disapproval of the parents of each of them. They left a letter saying that their parents had turned them out and they had no place to go, and decided to die together. Mrs. Valois died from a dose of carbolic acid and laudanum.
